For everything there is a season,  
and a time for

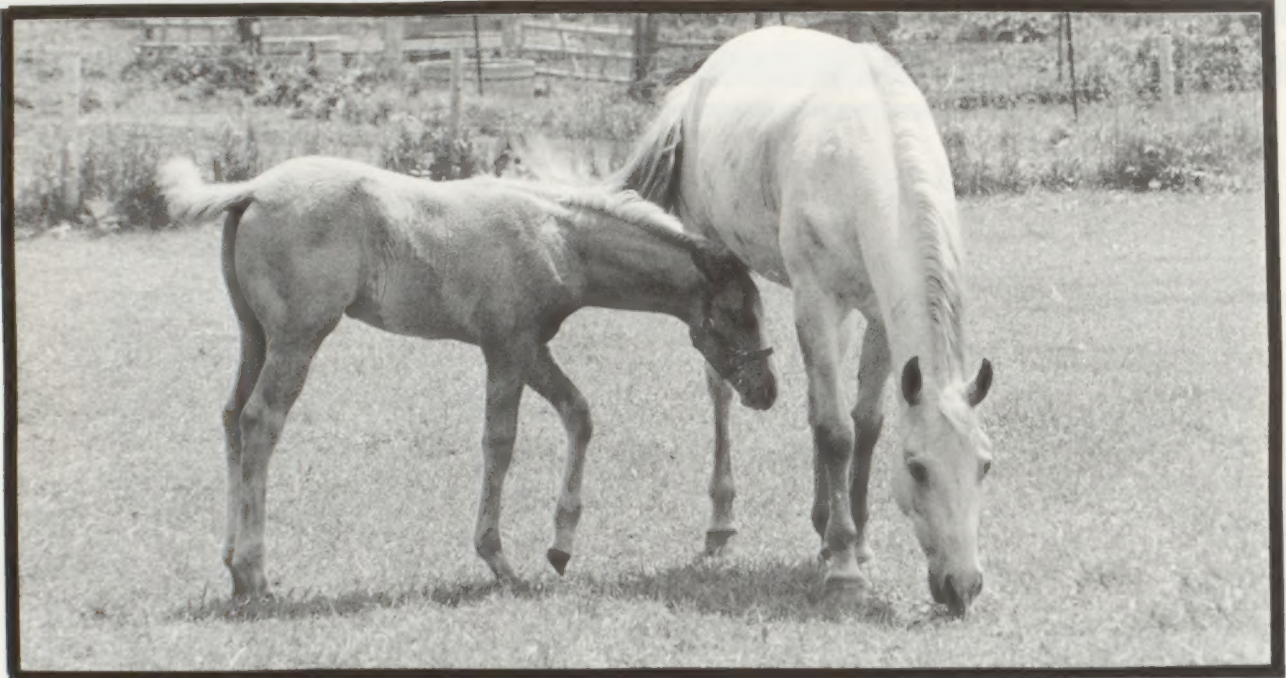

every purpose under heaven:

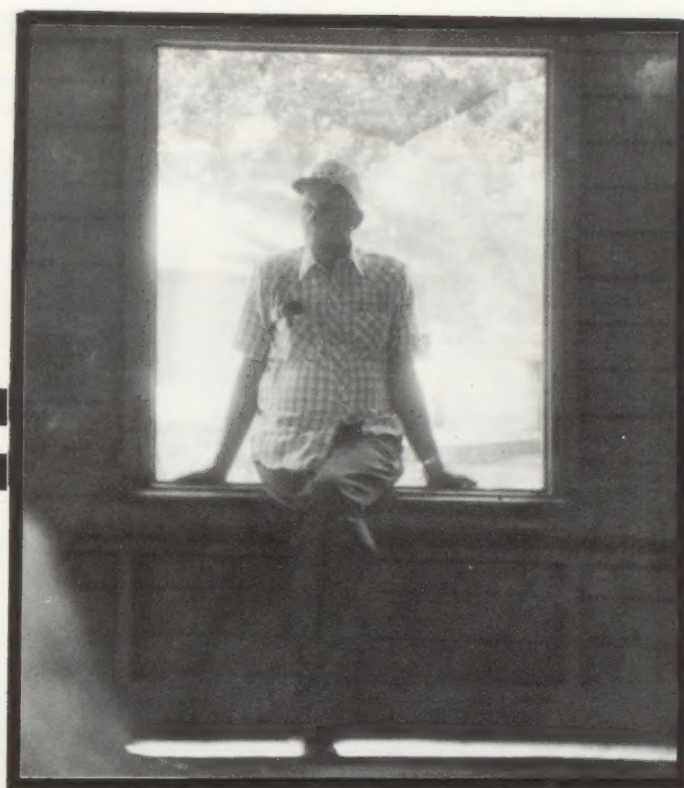

A time to be born,

and a time to die;

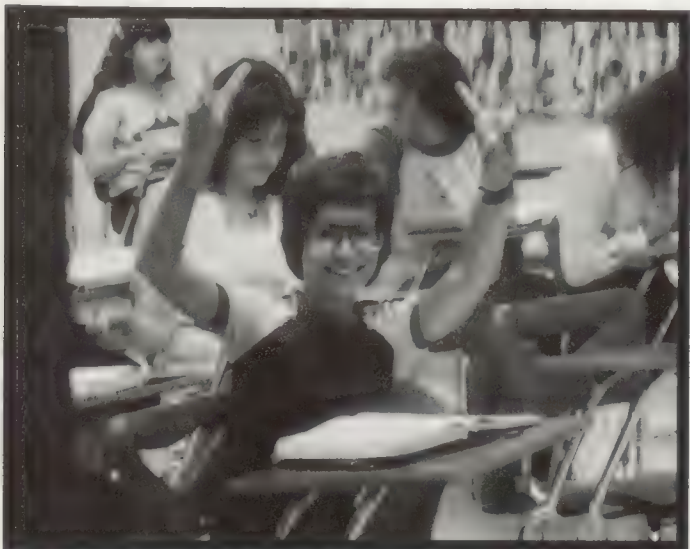

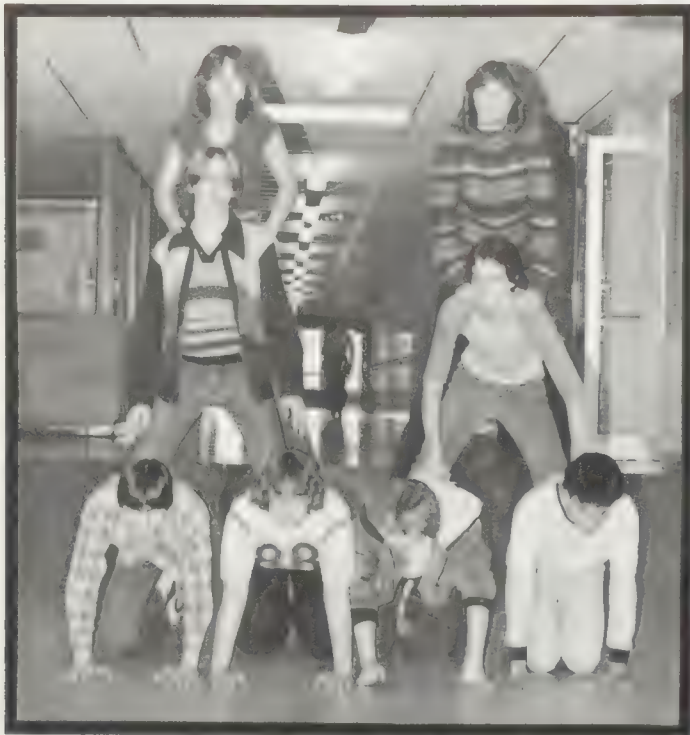

A time to weep, and a time  
a time to mourn.

to laugh;  
and a time to dance;

A time to embrace, and a time

to refrain from embracing;

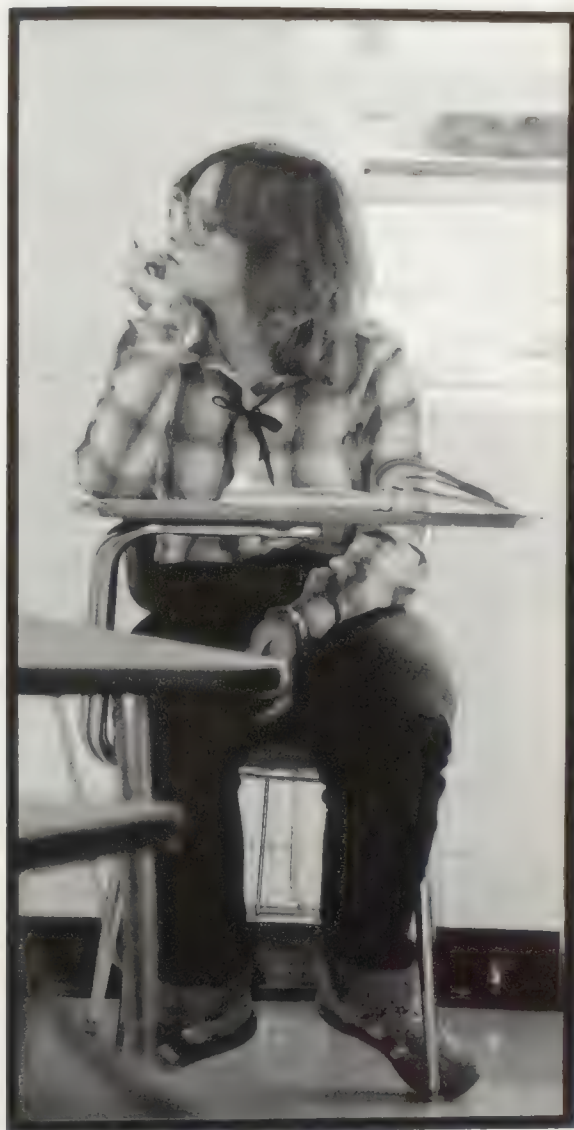

A time to keep silence,

and a time to speak;

A time to love, and a time to hate;

a time for war, and a time for peace.

MR. WILLIAM ELLIS, PRESIDENT  
SCHOOL BOARD OF TRUSTEES

We have just completed another successful school year. Many awards were earned and many goals accomplished. Each and every graduating senior must feel a sense of accomplishment in finishing another milestone through this journey we call life. For some of you, this will just be another stepping-stone as you continue in quest of higher degrees of knowledge. For some of you, this will be your last experience in structured education. Whichever way fate dictates bear one thing in mind, each and every day you will learn something, some good and some bad. Be discerning, use the good and cast away the bad.

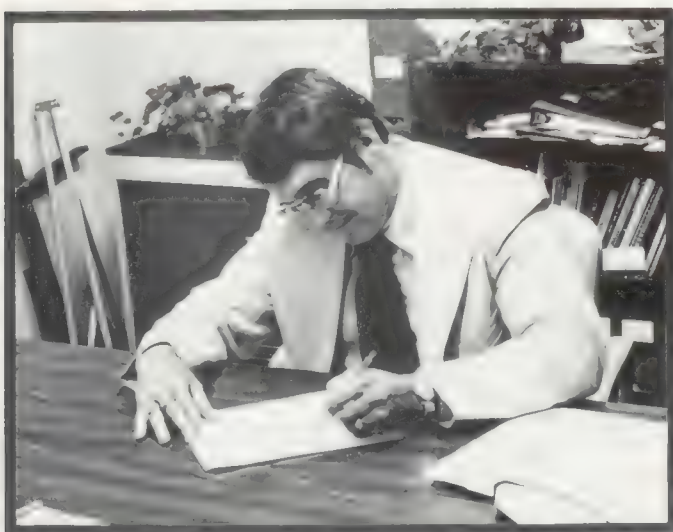

My sincere prayer for you all is that wherever fate takes you, do the very best that you can for the honor of yourself, your parents, your school and your country. God Bless You!

William Ellis, President  
School Board of Trustees

Graduation marks an important milestone in the life of a student; the end of your high school career and the beginning of your adult life. We, as parents and teachers, are asking the graduating seniors to use your education as an opportunity to further your life's ambition -- through more education or employed in an occupation of your choice.

In dreaming for tomorrow and making your way through life, explore the direction you are going. It is important that you place proper emphasis on emotions and on your spiritual teachings.

If you keep all this in mind, as adults your education will have been worthwhile and you will undoubtedly find life interesting and rewarding. In closing, I am asking you to remember, "Goodness without knowledge is weak, but knowledge without goodness is dangerous."

## YESTERDAY'S RELIVED

*Swiftly are the changes,  
Which come with the years;  
The bud none remembers  
When bloom-time appears.*

*Yesterday's glory,  
Is lost to the eye.  
The past is forgotten  
As time rushes by.*

*Here we have stored  
Her life as a whole;  
And captured the glorious  
Growth of her soul.*

*Time never turns backwards,  
Its old charms to give;  
In photographs only,  
Can yesterdays live.*

# Today!

Because tomorrow is just around the corner, and your future will depend a lot on the decisions you make today.

Your career goal is probably the single most important decision you'll make, so consider it carefully. Consider your interests and skills, and then consider working for a company that will allow you the opportunity to develop and use them effectively.

At Inland Steel we like to bring out the best in people. We do it through training programs, and by offering growth potential. We need solid employees on the production lines, in the craft apprenticeships, in our laboratories, and in the offices.

We've built a strong reputation as a first-rate steel-maker, and we built it with the help of our employees. But we don't rest on past laurels. Like you, we're looking at tomorrow.
